## EXPERIENCE

---

**CARE** — *Senior Manager, Systems-Level Impact*

NOVEMBER 2021 – PRESENT

Washington, DC

- Lead global strategic initiative (\$150,000 annually) to assess and scale solutions that address the root causes of inequality; managed \$75,000 consulting contract to conduct evaluations and capacity strengthening in four countries in 90 days.
- Supervise knowledge management and MEAL staff based outside the U.S. and closely collaborate with country, business development, and communications teams to ensure accountability, strategic alignment, and results.
- Manage and process CARE's global advocacy data (102 countries), validate wins, including providing technical assistance to determine impact. Share evidence and learnings through strategic communications and other dissemination activities.
- Support the development and advancement of regional advocacy strategies and initiatives that have demonstrated high impact and capacity to be scaled.

**George Washington University** — *Professional Lecturer/Part-Time Faculty Member, Department of Sociology*

JANUARY 2022 – PRESENT

Washington, DC

- Design and teach two courses annually: Sociology of Sex & Gender and Sociology of Education
- Supervise masters-level Teaching Assistant

**Insight Policy Research** — *Researcher, Department of Defense Sexual Assault Prevention and Response Office*

JULY 2020 – OCTOBER 2021

Arlington, VA

- Apply expertise in gender studies and quantitative and qualitative methodology to provide in-depth research consultation on the development, design, conduct, analysis, and reporting of Department sexual assault and related research about gender equity in the military workplace.

- Delivered rapid response research for President Biden’s 90-Day Independent Review Commission on Sexual Assault in the Military, including developing a qualitative analysis plan and PII protection protocols within 2 business days, conducting analysis of 250 narratives, distilling key findings, and presenting succinct results to Commissioners. Author of two page analytic summary delivered to the Secretary of Defense, Deputy Secretary of Defense, and Chairman of the Joint Chiefs of Staff.
- Led the development of an evaluation plan about men who experience sexual assault, developing 700+ measurable indicators based on a detailed cross-walk of 11 existing Department data sources.
- Contributed to capture planning through prospect research and business development strategy

**Steelcase Foundation** — *Learning and Evaluation Officer*

Grand Rapids, MI

FEBRUARY 2016 – JULY 2020

- Led and directed the Foundation’s learning and evaluation efforts including grant evaluation (30+ proposals annually), organizational learning, and designing evaluation protocols.
- Conducted all grant recommendations for \$6 million portfolio; completed rigorous assessment and distill complex proposals and progress reports to short write-ups for foundation trustees.
- Provide technical assistance to approximately 20 organizations annually on development of measurable outcomes and evaluation strategies.

**Higher Ed Insight** — *Independent Researcher & Consultant*

Washington, DC

AUGUST 2015 – APRIL 2016

- Conducted 12 qualitative interviews with industry leaders on behalf of the Lumina Foundation about the relationship between workforce/industry training and postsecondary CTE programs.
- Executed independent research projects for education clients incorporating landscape assessments and qualitative interviews with students and administrators, culminating in written reports that are accessible to multiple audiences.

**University of Maryland** — *PhD Candidate; Research & Teaching Assistant*

College Park, MD

AUGUST 2015 – DECEMBER 2020

- Completed a robust [mixed-methods dissertation project](#) (40 years of restricted longitudinal survey data; 60 interviews) about the college-to-career transition and how graduates respond to underemployment.
- 3 peer-reviewed publications as the solo or first author with my research featured in outlets such as [The New York Times](#), [The Atlantic](#), and [Ms. Magazine](#).
- Awarded \$48,000 in competitive grant and fellowship research funding.
- Project manager for a multi-prong \$200,000 *National Science Foundation* grant, including an audit study in four labor markets (3,040 applications submitted to 1,520 jobs), multiple factorial vignette surveys administered to the public and hiring agents (3,000+ respondents), 30 interviews; and supervision of an undergraduate research assistant.
- Regular speaker at conferences and panels on social inequality, economic inequality, and gender justice.
- Lecturer and instructor for college courses on topics such as gender, inequality, veterans, and sociology of the family; nominated for Office of Undergraduate Studies Teaching Award.

**Grand Valley State University Center for Women and Gender Equity** — *Assistant Director*

JULY 2011 - JULY 2015

Allendale, MI

- Led community-based learning for 300+ students annually; including developing 20+ community partnerships, training student leaders, and incorporating an intersectional social justice curriculum.
- Supervised 7 undergraduate interns and graduate assistants annually; oversaw the budget, implementation, and evaluation of more than 30 annual events, and played a significant role in the Center’s strategic direction, specifically for civic engagement.
- Directed the campus Student Food Pantry, serving 500+ students annually, supervising all staff and logistics. Successfully led campus-wide campaign advocating for new space and funding.

- Collaborated with Women, Gender, and Sexuality Studies faculty member to develop and implement a new six-week service-learning study abroad trip to South Africa; responsible for two successful trips including recruitment, curriculum development, student advising, and teaching while abroad.

**Community Rebuilders** — *Housing Resource Specialist*

APRIL 2010 - JULY 2011

Grand Rapids, MI

- Provided personalized strength-based case management services to a caseload of 40+ households at a time, including working with households on increasing their income, overcoming personal barriers, and obtaining/sustaining permanent housing.
- Developed organizational guidelines and programmatic procedures for a new federally-funded tenant-based rental assistance program.
